

自分で試してから見比べよう。

レベル2の例は、黄色の分岐で最初にまっすぐ進む場合です。動きが違うときは、通った順にたどってスナップを調整しよう。

A top-down diagram of a circular track with a car and various food items. The track is a grey oval with a dashed white line in the center. A black car is on the right side of the track, moving clockwise as indicated by a blue arrow. Various food items are placed around the track: a bowl of red berries at the top left, a bowl of green salad at the bottom left, a bowl of yellow soup at the top right, a bowl of green soup at the bottom right, a bowl of brown soup at the middle left, a bowl of brown soup at the middle right, a bowl of brown soup at the bottom center, a bowl of brown soup at the top center, a bowl of brown soup at the middle top, a bowl of brown soup at the middle bottom, a bowl of brown soup at the middle left, and a bowl of brown soup at the middle right. A car is also shown on the track, moving clockwise.

## A top-down view of a circular track with a train and various food items. The track is a grey oval with a dashed white line in the center. A black train with a blue stripe is on the left side, moving upwards as indicated by a blue arrow. The track is divided into segments by small white gaps. Various food items are placed around the track: a bowl of red berries at the top left, a bowl of green peas at the top right, a bowl of yellow corn at the bottom left, a bowl of green peas at the bottom right, a bowl of red berries at the top left, a bowl of green peas at the top right, a bowl of yellow corn at the bottom left, and a bowl of green peas at the bottom right. There are also several small white boxes with colored squares (blue, red, green, yellow) inside them, placed at various points along the track. A large brown object, possibly a piece of meat or a vegetable, is in the center of the track.
